Sir,

Adverting to Government Proceedings No.Fl.7750-99/M.F.219-16-1 dated the 22nd June 1917, passing orders on the reform of Public Works system of payments and accounts, I have the honour to forward herewith a copy of letter No.625 dated the 13th December 1917, received from the Executive Engineer, Sanitary Division, representing that the permanent advance of Rs 500/- allotted to the Division is inadequate to meet the requirements and to request that under the circumstances explained, the permanent advance may be increased to Rs 1,000/- as asked for.

I have the honour to be,

S i r,

Your most obedient servant,

R V Sundaramma

For Chief Engineer of Mysore.

Adverting to Government Order No.Rl.7750-99/G.M.219-16-1 dated 22-6-1917, sanctioning the permanent advance of Rs 500/- to me, I have the honour to state that this amount has to a great extent been distributed as sub-imprests to several subordinates engaged in surveying the towns in different places of the state and thus there is very little amount left to me to pay small bills and meet emergent claims. Besides, subimprests have to be given to the subordinates recently transferred in connection with Town Planning operations. I therefore request that the Comptroller may kindly be addressed to raise my imprest to Rs 1,000/- at least. The favour of immediate orders is solicited as the amount is urgently required for survey parties.
